PROFESSIONAL EXPERIENCE

NATIONAL CONTACT CENTRE MANAGER | Neilson Financial Services | Apr 2024–2026

- Led blended inbound/outbound insurance sales operations supporting 300+ advisors across Toronto and Calgary, with accountability for performance, sales consistency, quality, compliance and customer outcomes.
- Improved sales consistency and reduced performance variance through disciplined coaching, leadership routines and KPI management.
- Applied real-time performance insights to anticipate capacity, conversion and quality risks and drive timely corrective action.
- Strengthened compliance, documentation accuracy and operating discipline in a highly regulated financial services environment.

SENIOR OPERATIONS MANAGER | SinglePoint | 2018–2023

- Increased HVAC sales by 72% through sales strategy, performance management and frontline coaching; launched an inbound upsell program generating 34% asset growth.
- Designed KPI frameworks aligned to client outcomes, improving NPS, customer retention and commercial performance.
- Reduced revenue leakage through workflow, quality assurance and process improvements.
- Key contributor to launching financial lending programs across two national brands and identifying four new revenue streams.

OPERATIONS MANAGER | S&P Data | 2016–2018

- Implemented quality and performance processes that improved service quality and KPI attainment.
- Provided customer and frontline insights adopted by client leadership.
- Achieved national #1 ranking in World Class Customer Interaction performance.
- Launched a high-volume U.S. telecom campaign spanning sales, retention, CX and win-back, outperforming the incumbent within three months.

PROGRAM MANAGER | Simpro Solutions | 2009–2016

- Managed inbound and outbound sales, retention and win-back programs across energy, SaaS and financial services.
- Consistently exceeded KPIs through structured coaching, quality assurance and performance routines.
- Strengthened retention and win-back performance, increasing customer tenure and supporting long-term account value.

ADDITIONAL EXPERIENCE

Earlier leadership experience across customer success, account management, operations, sales, customer advocacy and program management in financial services, insurance, SaaS, telecommunications, energy, HVAC and home services.
